

## Sports/Outdoors

Dustin and Travis Kronforst are the fifth generation of Kronforsts living in the Jambo Creek area, and proudly display their commemorative shell boxes. The boxes were made for the Jambo Creek Bicentennial, which will be held at the Mishicot Sportsmen's Club on June 9, 10 and 11 in honor of Jacques Vieau's first fur trading post in Manitowoc County 200 years ago. The boxes also can be used for picnic and craft supplies and can be purchased from Mishicot Sportsmen's Club members.
